Welcome to the International Business Conference, Guyana

Hosted by the Suriname-Guyana Chamber of Commerce (SGCC) the inaugural International Business Conference, Guyana will take place from the 15th - 17th October 2024 in Georgetown under the theme "Guyana: The Gateway to Opportunities".

Delivering a private sector led three-day B2B conference and bringing together key local and international role-players to exchange views on business and investment opportunities, to showcase best practice solutions and to forge working partnerships across the key sectors of Guyana's economy so that all sectors can benefit from the ongoing growth surge. The second edition is slated for Paramaribo early 2025.

The International Business Conference (IBC) is focused on streamlining the ease of doing business and facilitating investments between international businesses and Guyana/Suriname in key sectors of the economy including energy, infrastructure, finance, logistics, business support services, agriculture, and manufacturing. International companies possessing intellectual property, human & financial capital, and an appetite for investing in

and serving the region are invited to participate and meet with Guyanese/Surinamese companies seeking collaboration, investment, and growth.

Professional support for the establishment of joint ventures and consortia will be provided during and after the event. Key informative and educational sessions covering a range of opportunities and sectors including financing, incentives, taxation, local content, governance, and other critical areas for investors, partnerships, business growth and development will also be featured. The event will host a dedicated business matching area where B2B meetings can be booked in advance via the conference app and a private meeting room will be available for partners to hire.

IBC is where businesses from Guyana and Suriname meet to collaborate, promote investment opportunities, and develop strong partnerships to drive economic growth and enhance the prosperity in both countries and the wider region. It is also where Guyana and Suriname meet the world and we look forward to collaborating with the international bilateral chambers to serve their visiting delegations.

Where Guyana and Suriname meet the world

The International Business Conference, Guyana delivers business focused content aimed at strengthening collaboration, innovation, and shared success.

Private sector led and for industry by industry the conference is tailored to Surinamese businesses in Guyana, Guyanese businesses in Suriname, foreign firms operating in Guyana and Suriname and international companies looking to invest, find partners, source suppliers, or meet buyers in either country.

Guyana is quickly transforming into a global destination for international investment and Suriname is following suit. Through harnessing vast natural resources Guyana looks to supercharge economic development, industrialisation, economic diversification, job creation and poverty alleviation. IBC strives to play a central and influential role in the regions socio-economic growth by guiding sustainable capital towards key sectors and business opportunities while serving as a credible and

trusted entry point into the region. We connect our participants to business opportunities through a dynamic and pragmatic business conference and one to one business matching service.

With an international reach and local understanding IBC offers a leading private sector led investment platform where participants will be provided with access to an unrivalled network and unique information, market intelligence and exposure to business opportunities. With high standards and integrity IBC is built on a belief that a responsible and profitable private sector has a crucial role to play in the regions development and prosperity. All ships rise together.

We aim to work with bilateral chambers and serve their members and international trade delegations by providing a cross sector industry conference catering to their needs and objectives. Expected trade missions and country delegations at the International Business Conference, Guyana 2024 and the International Business Conference, Suriname 2025 include:
